

BHARAT RATNA INDIRA GANDHI COLLEGE OF ENGINEERING

Department of Management Studies

Annual Report 2010-11

Commencement

The academic term began on 2nd August for the seniors and 16th Aug for the juniors. Teacher's Day was celebrated on 6th September (as 5th Sept was a Sunday). On this day a welcome function was organised by the Seniors for the benefit of the Juniors. The seniors tried to show their mental superiority by organising quiz, business games, role playing etc. The juniors tried their best to prove that they were no push overs. The function ended with a party hosted by the seniors. The function helped a great deal to break the barriers between the seniors and juniors and develop a friendly relationship between them.

Guest Lectures

Mr. Kashinath Bhatgunaki who has recently travelled over all the states of India on a bicycle, visited the department and gave a motivational speech to the students. Mr. Sanjay Bairagi who is blind from childhood, but who is leading an active life in spite of his handicap, also spoke to the students and motivated them.

Training & Workshop

Globerena of Hyderabad conducted a 5 day pre placement workshop for the final year students. It was a hands on workshop and all students participated in the various activities. The students were given an insight into the minds of the interviewer.

College Seminar

"Sustainability through Recycling" was the theme of Manthan 2011 the annual seminar for management students. Prof. Vilas Bet an academician, Mr. Shankarrao Linge an entrepreneur who is engaged in recycling of plastic waste, and Mr. Ravindra Mokashi a social worker who is working for the uplift of rag pickers, participated in the seminar.
